Eduroam: Connect to College Wifi

Last Modified on 05/02/2024 11:07 am EDT

This article reviews how to connect to the College's Wi-Fi network: eduroam.

Before you start, you will need the following:

- a College account or visitor account
- a device that supports Wi-Fi

What is eduroam?

eduroam is a secure Wi-Fi network offered by various research and educational communities.

More information: www.eduroam.org

Connect to eduroam

Windows, macOS, and iOS

- 1. Access your Wi-Fi settings
 - Windows
